Selected High Crowned Vigorous Bulbs

Our bulbs are guaranteed to be free of Thrip, having received three individual treatments before they leave our warehouse.

No flowers have been cut from these bulbs during the growing season with the result that all the strength is in the bulbs. They are not "Pancake Flat" such as stock we have seen offered, grown from old bulbs.

Grading is generous; first size on most varieties run 1 3/4" and up wherever possible.

	E—Early	M—Midseason	L—Late	
			PER 1000 BULBS	
			No. 1	No. 2
Albania	E	Early pure white	\$16.00	\$13.00
